7 Day Trip in Iceland

6th November 2021

Project Summary

- What are you mapping?
 - A narrative thematic map
 - The tourist attractions with brief information; signature local foods; trip plan, etc.
- Who is your audience?
 - Travellers who also plan to visit Iceland would get inspiration from my map..
- Why are you making this map?
 - Iceland is my dream destination; to make a story map for Iceland is to refresh my memory as well as to be more prepared for my next visit.
 - To provide useful information for other travellers; help people have a better travel experience

Data Source

- [Natural Earth](#)
 - Large scale data 1:10m (To map more information and add more design)
 - Cultural datasets:
 - i. Admin 0 - countries
 - ii. Admin 1 - states/provinces
 - iii. Populated places
 - iv. Roads
 - v. Airports
 - vi. Parks and protected areas
